TITLE OF INVENTION:

fedora boutoniere corsage vase pin holder

ABSTRACT OF THE DISCLSURE

What is the hard part of using a boutoneire or : a corsage? Pinning it on or the band that you wear on your wrist. The Fedora Boutoniere Corsage vase pin holder is a revolutionary way to wear a boutoniere or . a corsage. The vase with attached clasping pin on the back of the vase and the plastic insert, allows security and easy wearing of the boutoniere and corsage with a decorative frontal piece attached to the vase, gives a classic elegant look of jewelry to the flowers worn. Basically this is a Fedora for your boutoniere or corsage. A keepsake piece of jewelry with aversital complimant of frontal shapes, designs andengravings complimented with precious gem stones. Everyone will want a Fedora for their boutoniere or corsage. A keepsake for all special occasions, and an elgant look to complimant the flowers you wear on your clothes.
